## I can do all things through Him who strengthens me.

Philippians 4:13	
A STATE OF THE STA	ASSESSED AND ASSESSED AND ASSESSED ASSESSED AND ASSESSED ASSESSED ASSESSED ASSESSED ASSESSED ASSESSED ASSESSED

Lord, there are days when I feel strong and just need encouragement and strength to make it to the finish line. But there are other days when I don't feel I have the energy to open my eyes, let alone take on the day. Whatever the need Lord, be my strength. Flow through me and fill me with strength of purpose... guide and protect me. Amen
