You	are	allowed	to	scream.
You	are	allowed	to	cry.
You	are	allowed	to	swear.
But.				

## Do. Not. Give. Up

Lord, there are times when I am mad... ticked right off... fed up and frustrated with what I am going through!

When I am pushed to my breaking point, I am going to scream and swear and cry and maybe even stomp my feet, slam a door or hold my breath until I turn blue.

Then Lord, I am going to dry my tears, dust myself off and reach for your hand so you can lift me up. Because for every reason I have to quit, I have ten reasons to keep going.

I.WILL.NOT.GIVE.UP

AMEN!
